## Application Narrative

*The suggested word limit is 400 words/question, but remember this is your limit not your goal. Use the full range if you need it, but don't feel obligated to do so.*

1. What social issue do you tackle? What are you doing to address that issue? Please give one example of how an individual or community might benefit from your organization's work?
2. Equity is one of SVP's priorities. What does equity mean to your organization? Please share one example that illustrates your commitment to equity. How are your constituents involved in decision-making for your organization?
3. How would you use SVP's volunteer consulting partnership to help improve your organization's systems and operations? Please list specific challenges you have identified. How will you know these capacity building projects are a success?
4. Is there anything else you would like to share?

## Submission
