Since 2015, this unique and impactful program assisted 78 organizations and invested over \$1.1 million into the nonprofit community, with \$220,000 in funding from 2021 alone.

The Fast Pitch showcase on **Thursday, March 31st, 2022** is a must attend -- a high visibility, don't-miss event!

- Join us for an evening that will stir your soul and witness 10 nonprofit organizations present their three minute "fast pitch" stories. Guests may attend virtually or in-person at the University of Arizona's Health Science Innovation Building.

"Through SVP's prioritization of organizations doing diversity, equity, and inclusion work, a very small and newer nonprofit like Boys to Men came out of our Fast Pitch experience radically changed and with substantially increased fundraising capacity to support this work in the future."

Michael Brasher, CEO of Boys to Men  
Class of 2021 Participant
