TOP INVESTEE CAPACITY BUILDING NEEDS

The goal of Partner Engagement goes beyond partners satisfaction, it's about driving more community impact. Take a few minutes to think about your grant recipients and list their capacity building needs:

TOP PARTNER SKILLS

Take a few minutes to think of your partnership and write down the skills (professional, transferrable of soft skills) that are represented there:

WHERE IS THERE ALIGNMENT?

Where do your partners' skills overlap with your investee's needs? Write down any areas that overlap.

COMMUNITY OF PRACTICE ACTION PLAN

- 1. List the partners who represented that skillset. This is the beginning of your community of practice recruitment list!
- 2. List all the known projects investees would request within this capacity building area. Now, are there other partners you'd add to your list in #1 that could help with these projects? Add them!
- 3. List three barriers to beginning your community of practice:
- 4. Now, list two potential solutions for each barrier.
- 5. Write down one step you will take, within 72 hours of this session, to move your Community of Practice forward.
